ACTIVITIES 2022-2023

Food distribution program

Gramya Foundation runs a food distribution program targeting night hunger laborers, government school children, and residents of poor slum areas. The program aims to address food insecurity and provide essential nutrition to vulnerable populations.

Program Components:

- **Nutritious Meals:** Distribution of nutritious meals to night hunger laborers during their shifts..
- **Community Outreach:** Distributing food packages or meals to residents of poor slum areas on a regular basis.

Objectives:

- Address food insecurity among vulnerable populations, particularly those working during late hours and living in poor areas.
- Ensure access to nutritious meals and improve overall health and well-being.
- Support children's educational outcomes by addressing hunger-related barriers to learning.

Impact:

- Provides essential nutrition to night hunger laborers, improving their well-being and productivity.
- Supports children's health and educational outcomes through school meal programs.
- Alleviates food insecurity among residents of poor slum areas, contributing to community well-being.

ACTIVITIES 2022-2023

Kambal distirbution program

Gramya Foundation distributes blankets and clothes to impoverished individuals in Varanasi's slums, providing warmth, comfort, and dignity during cold weather. The initiative aims to improve health, enhance well-being, and foster community support.

Objectives:

1. Provide warmth and protection against cold-related illnesses.
2. Ensure access to adequate clothing for comfort and dignity.
3. Foster community support and solidarity among recipients.

Implementation: Gramya Foundation collaborates with volunteers to procure and distribute blankets and clothes to slum areas.

Impact:

1. Improved health and well-being for recipients.
2. Enhanced comfort and dignity during harsh weather conditions.
3. Promotion of community support and solidarity.

Future Plans: Expand efforts to reach more beneficiaries and explore sustainable solutions for long-term impact.

ACTIVITIES 2022-2023

Stationery Distribution for Educational Support

Gramya Foundation is dedicated to supporting the education of underprivileged children by providing them with essential stationery items. This initiative aims to remove barriers to learning and empower children with the tools they need to succeed academically.

Objectives:

1. **Access to Educational Resources:** Ensure that every child has access to basic stationery items such as notebooks, pencils, pens, erasers, and rulers, which are essential for their studies.
2. **Promote Learning:** Equip children with the necessary tools to engage in classroom activities, complete assignments, and participate actively in their education.
3. **Encourage Creativity:** Foster creativity and self-expression through art supplies like colors, drawing materials, and craft items, enhancing children's holistic development.

Implementation: Gramya Foundation collaborates with local schools, educational institutions, and community centers to identify children in need of stationery support. Stationery kits are prepared and distributed to these children, ensuring that each kit contains the required supplies for their grade level and educational needs.

Impact:

1. **Enhanced Learning Opportunities:** Stationery distribution enables children to engage more effectively in their studies, improving their academic performance and learning outcomes.
2. **Empowerment:** Access to stationery empowers children to take ownership of their education, fostering a sense of responsibility and self-confidence.

ACTIVITIES 2022-2023

Food distribution for oldage home

Gramya Foundation provides nutritious meals to elderly residents in old age homes. This initiative aims to:

- Support their nutritional needs and overall health.
- Improve their quality of life and well-being.
- Foster social interaction and community bonding during meal times.

Implementation: Collaborates with old age homes to deliver balanced and healthy meals regularly.

Impact:

- Enhances health and vitality among elderly individuals.
- Promotes dignity and comfort during their golden years.
- Creates opportunities for social engagement and community support.

Future Plans: Expanding reach, offering diverse meal options, and exploring holistic support initiatives.

INR- 5,00,000

ACTIVITIES 2022-2023

Smart Academy- Free IIT JEE coaching for children

Gramya Foundation operates a free IIT JEE coaching center to provide high-quality coaching and support to economically disadvantaged students aiming for engineering education at prestigious institutions like the IITs.

Program Highlights:

- Comprehensive coaching covering all subjects and topics required for the IIT JEE exam.
- Experienced faculty providing personalized guidance and support.
- Study materials, practice tests, and mock exams to assess progress.
- Counseling and mentoring to navigate challenges and stay motivated.

Objectives:

- Bridge the education gap and empower students with valuable skills.
- Promote financial independence and access to higher education.
- Create opportunities for talented individuals from marginalized backgrounds.

Impact:

- Improved academic performance and increased chances of qualifying for top institutions.
- Greater access to quality education and enhanced career prospects.
- Empowerment of economically disadvantaged students to achieve their aspirations in engineering.
